

Just A Reminder . . .

CHECKS

All checks for water and taxes must be payable to: Charter Township of Filer.

WATER CUSTOMERS

If you are selling your home, please make sure the **new owner** is informed to change water billing account information into their name. Title/Mortgage companies sometimes don't give us this information. Please call 231-723-3138 ext. 2 for more information.

LEAVES AND GRASS DISPOSAL

The Township has leaf and grass dumpsters at the Township Hall and at Oak Hill Park. Please do not put any form of plastic, tree limbs/branches or construction materials in the leaf dumpsters, as we have been experiencing this problem. Dumpsters may be removed if misuse continues. Township Maintenance or Republic Service must manually remove the items that are not decomposable causing an unnecessary expense.

WE DO HAVE SECURITY CAMERAS ON-SITE.

Yearly brush pick-up (also for the limbs/branches above) may be held during May, subject to Township Board approval. Residents may call a tree removal service for pick-up at the landowner's expense at all other times.

GARBAGE

Filer Township allows 1 bulky item for the first garbage pick-up of the month. Please call Republic Services at 231-723-4850 for questions regarding bulky items or the rescheduled pick-up dates following a major holiday or for icy winter conditions.

PARKS

Magoon Creek Park closes at SUNSET. Please make sure your vehicle is out of the park before the gates are locked. Weddings are acceptable but must vacate at sunset and the public cannot be closed off.

Thank You!
