

# **RUN WATER NOTICE**

**Attention Filer Township Water Customers:** Due to extreme cold temperatures and deep ground frost, all township water customers are directed to run the smallest steady stream of water to prevent water lines from freezing until further notice is given. Look on [filertwpmi.gov](http://filertwpmi.gov) for updates.

**PLEASE CALL 231-723-3138 EXT. 2 IN ORDER TO RECEIVE THE ADJUSTMENT ON YOUR NEXT WATER BILL BEFORE RUNNING THE WATER, NO EXCEPTIONS.**
